

Lightning Protection for Building Contractors

Dear Building Contractor

Specialty Lightning Protection is your source for Lightning Protection on New Construction and Custom Homes in Northeast Florida.

We offer a complete range of Lightning Protection products including concealed wall installations. We are fully licensed and insured and our installations conform to UL, LPI and NFPA standards.

We're your experienced partner in solving all Lightning Protection issues as they relate to your trees as well. We've been doing this for over 25 years.

Give us a call. We can assist you with working drawings, planning and estimating, as well as any Lightning Protection issues you may have.

Call: (904) 730-8833 or email us at: treesrus@att.net - We look forward to working with you.

Best Regards,

Early Piety
Owner/Operator

Early Piety demonstrates a rooftop Lightning Protection point that can be attached to the roof.
